## Note from the RWT Chair

Our Awards Evening was a huge success and enjoyed by all. It was lovely to see the community spirit alive and well in RWT after a difficult few years. A huge thanks to everyone who helped to organise the event, our presenters and our nominees.

We hope to celebrate our community again next year as we come towards the end of the Big Local project.

I'm glad to see things are starting to get back to 'normal' and we've lots of events and activities planned for all ages as well as the projects in our Big Local Plan.

Best Wishes

*Nic*

## RWT Self-Employment Support

If you're interested in starting your own business RWT can help.

We're offering free one-to-one support to local people who would like to become self-employed or a small business who needs a refresh.

You'll be working with Geoff Kirkman from Offploy who can give you advice and support to develop a business and marketing plan as well as guidance along the way.

Jaimie from Baubles in a Box, who provided our table decorations and flower wall at the awards, is an early success. Geoff has supported her to get up and running and the project has made a huge difference to her business.

Interested? Contact Geoff for an initial chat and find out more: 07720 215096 email: [geoff@offploy.org](mailto:geoff@offploy.org)
